SPECIAL OFFER

We look back once again at last year with a feeling of gratitude to our customers who kindly took advantage of our special offer. Craftsmanship of the quality to which we aspire is still in demand and the men and women who have chosen to practice the skills required remain committed to their vocation.

Our 2015 discount proved attractive and helped to maintain the flow of work thanks to the generosity of those who participated. We are still anxious to maintain the volume of work so that the men and women who depend on it can be well supported. With these thoughts in mind we would like to make a new special offer for 2016:

From 1st January 2016 to 31st December 2016, for every two pairs of shoes ordered by a customer we will be offering a discount of £500 (excluding VAT) on each second pair.

We appeal again to your generosity and hope that you can take up the offer and allow us to make you shoes to suit your individual taste and of which you can be proud for many years to come.

We wish everyone a happy and prosperous 2016.
